LaRivier, Grubman & Payne

Dear Sirs:

We received the documents requiring signatures and notaries for patents. However, Howie Trang left Blue Sky Research on May 6, 2001, under less than amicable terms. We believe that he will not be co-operative with this issue due to his responses at the time of his departure, per our personnel department. Any help that you can give in this matter would be most appreciated.

Sincerely,

Katrina Poitevin
